How to find out what is happening in our Club?

Enigma Gymnastics Club recognises the importance of keeping involved in and up to date with what is happening in the Club;

- We will distribute termly electronic newsletters to all members.
- We may in some cases, ask gymnasts to keep training diaries - coaches will keep in contact with parents / guardians by writing comments.
- Forward competition results, fundraising events or other matters of interest to local Press. This is our way of letting the local community see what the club is achieving.

Our club website, www.enimagymnasticsclub.co.uk, will keep Club members up to date at a touch of a button. Please consult regularly. The section to keep members updated is the News page. Most recent news will be at the top of page, scroll down to find older information.

Our main method of communication is by email. Please ensure we have the email address you currently use. It is your responsibility to update us if there are any changes to the contact information you provide.

If we need to get in contact quickly, we will contact you by phone and normally by text depending on the urgency of the message. We will use the mobile contact provided. Please ensure it is up to date notifying us of any changes.

Enigma Gymnastics Club can be found on facebook. "Like" our page for regular newsfeeds.
